KEMPSVILLE  
Junior  
HIGH  
School

# Miss and Mr. Kempsville Junior High

During the week of March 4-10th, Kempsville Junior High School held its first "Miss and Mr. Kempsville Junior High School" contest. The idea was started by the members of the annual staff as a money-making project. Miss Linamen, sponsor of the annual, stated that she hoped that the contest would become a tradition at KJHS. The contestants were chosen on the basis of school spirit, contributions to KJHS, personality, co-operation, academic achievement, and character. The five boys and four girls were selected by a faculty committee from members of the ninth grade. The contestants raised two-hundred and eighty four dollars for the annual staff.

We, the members of the "VENTURE", are deeply grateful to these students for their help.

Cindy Meredith and Billy Foster make a handsome couple as they share the top honors of "Miss and Mr. Kempsville Junior High School".

Smiling Vicki Williamson and "Soul Brother #1" Lagus McCoy were named as the first runners-up in the KJHS contest.

"Miss and Mr. Kempsville Junior High School" Contestants: Seated on the floor: Julie Spencer. Seated on sofa L to R: Billy Foster—"Mr. KJHS", Cindy Meredith—"Miss KJHS", Vicki Williamson—First Runner-up "Miss KJHS", Lagus McCoy—First Runner-up "Mr. KJHS". Standing L to R: Frank Welch, Ricky Bliese, Grady Hedgespeth, Terri Spence.

# Dedication

The "VENTURE" staff of Kempsville Junior High School felt that there were several worthy recipients of the '70-71 Dedication. For their willingness to give of the time, efforts, faith, and loyalty the staff dedicates this year's "VENTURE" to the following people:

To Coach Ingram for his successful efforts in bringing new honors to KJHS in the form of our second City Championship in football.

To Mr. Davies for his untiring work with the SCA and for his sincere interest in and concern for the students of Kempsville Junior.

To Coach Booth for making our first undefeated City Championship and City Tournament in wrestling possible.

To Miss Linamen for her genuine interest in the students and for her innumerable hours of work with the yearbook, the cheerleaders and the Pep Club.

To Coach Cochrane for his time and talent which resulted in an undefeated Conference Championship and another City Tournament trophy in basketball for the "Home of the Defense" — Kempsville Junior High.

Debbie,  
But Wishes to my #1 girl!  
Coach  
Cochrane

To Coach Coulthard for his skill and knowledge that helped the KJHS football team lay claim to another City Championship.

## Kempsville Junior High School

Senator Byrd smiles at the dedication audience as he waits for the applause to subside before he begins his speech.

A junior high school is a complex organism. It is many students together and it is one student alone. It is dreams and loves and hopes that are born and those that die. It is being one in happiness and being one in sadness. It is changing classes and football games and it is hours of study and worry. A junior high school is one being and it is a combination of many beings. Here a spirit is infused into each and every student; a spirit, which, if genuine, can never die.

Superintendent Brickle makes some thought-provoking comments.

## Dedication, April 12, 1970

"Mrs. Womble, how do you like the marvelous goodies Mr. Gordon made?"

"Keep smilin' Mr. Perkinson, the worst part is over!"

"Miss Clark, would you please stop yakkin' with Mrs. Baylor and Mrs. Edwards? Those people behind you are hungry!"

## Teacher of the Year 1969 - 70

Little can be said about Miss Hogan that has not already been expressed through the affection and respect shown by the students of KJHS in voting her "Teacher of the Year, 1969-70".

The "VENTURE" salutes you, Miss Hogan, for your unselfish contributions to the SCA and to its students.

# Charles Atkins Perkinson, Principal

"There's no heat in the school, the water pipe burst, eight registers are missing, the library ordered pictures instead of books, Mrs. Cromwell resigned, seven buses broke down, Mr. Mac and Mr. Lumpkin are both out with the flu, and all the women teachers have on pantsuits. I see! Now, tell me the Bad news!"

Mr. Perkinson is our administrator in charge of everything! The overall smooth functioning of our school expresses his versatile management of the widespread demands upon him.

Though the hours are long and his responsibilities are numerous, he always manages to have a smile for everyone. Mr. "P" is well-known to all for his stable leadership, his willingness to help with any problem and his ability to put that problem into its proper perspective.

For this—and for him—we are thankful. A positive, optimistic man is good fortune as the rudder of our school, of any school.

## Marvin Roger McMillan, A.P.A.

Mr. Mac arrived at our school this year as the new administrator in charge of discipline — and he has stayed to prove already that he is a man who functions efficiently in that job. We are all stronger because we know Mr. Mac who grasps a difficult job and molds its varied problems into solutions.

## Kenneth Bryant Lumpkin, A.P.I.

Mr. Lumpkin is really the unsung hero in the educational scheme of things at KJHS. While the students are usually unaware of his numerous functions, they nevertheless greatly benefit from the excellent assistance he gives the teachers in matters of instruction. He handles his many responsibilities with a round intelligence, a sincerity of purpose and his own special dignity that's always there. We're glad he's here!

D.D.P.  
Best wishes,

a real pleasure

# Student Council Association

Seventh bell nearly every afternoon finds the four SCA officers trying to organize and carry out various projects for the students of Kempsville Junior High. Learning exactly what the students want isn't always easy, but with the assistance of representatives and a suggestion box, the officers got some ideas. Dances were a big success, as was the Student-Faculty Basketball game (complete with faculty cheerleaders.) When the SCA recognized the talent of the student body, a talent show was quickly organized.

Good times are important, but the SCA was also concerned with humanity. Aside from donations to charities, like the United Givers, the school "adopted" a Lebanese boy. Their adoption enabled the seven year old to go to school.

Taking a long look at the school and community, the SCA realized that pollution was not a phenomenon which occurred someplace else. Through an assembly and class discussions, the students learned about problems in the area and how they could be corrected. Their interest and enthusiasm were harnessed into a massive clean-up campaign of the school and community.

## Sponsors Various Activities

# 1970 - 71 Venture Staff

"Can you identify this person? Who messed up the pictures? Where is what's-his-name? I need his copy!" These were familiar sounds as the Kempsville Junior High annual was in its final stages. Amid all the helter-skelter, a yearbook recording daily life at KJHS was somehow produced.

At the beginning of the year the staff members set out to solicit ads. Then came the taking of student pictures which can only be described as one big headache. However, the staff managed to survive the ordeal but Miss Linamen, our sponsor, may never never be the same. We all know now that her nickname "Red" refers to more than just her hair — what a temper!!!

After the pictures were taken we were confronted with many little details: identifying pictures, drawing lay-outs, writing copy, and meeting deadlines. Did you know that we have some students at KJHS who don't know their alphabet? How 'bout it Sam and Susan?

Looking back over the year we remember the good times and try to forget the bad ones, but basically it was fun. So here's the final result of all our labor—the preservation of a year's events at Kempsville Junior High. Hope you enjoy it.

## Art Club

Kempsville Junior High Art Club presents an opportunity for all students interested in art to participate in many art activities. Craft projects, field trips, and sponsorship of the school art show are being undertaken by the students this year.

The main project of the 1970-71 club is to work toward the goal of purchasing a piece of work by a professional artist of the Tidewater area for KJHS. Funds are presently being raised by means of bake sales and other fund raising means.

Also the club is providing strong support for the Festival of Visual and Performing Arts which takes place in May at the Virginia Beach Dome.

## Majorettes

The Kempsville Junior High School Majorette Corps, consisting of 7 members, have performed hand in hand with the Marching Band. Adding the icing to the cake, the Majorettes Corps performed two solo productions during football season. The highlight of the season came when the corps brought home two first place trophies from the Regional Majorette Association Competition held in Portsmouth. Miss Vickie Williamson, Head Majorette, has done an outstanding job in rehearsing the group and working out routines. Mrs. Joanne Flanagan is the majorette sponsor.

Sponsor Mrs. Joanne Flanagan and Head Majorette Vicki Williamson proudly display the two trophies won by the KJHS Majorettes.

L to R: Susan Urso, Assistant Head Rosalee Cavallo, Darlene Stevenson, Karen Lindamood, Bonnie Jones, Head Vicki Williamson, and Lee Ann Wright.

## A Band

The Kempsville Junior High School Concert and Marching Band is composed of 72 members. The group has performed four precision halftime shows during football season and presented a Christmas Cantata in conjunction with the Concert Chorus. The Concert Band performs in the District II Band Festival and will present a combination serious and "pops" concert in the Spring. The Marching Band will present its colors in the Azala Festival Parade and the Armed Forces Day Parade. Under the direction of Mr. William Flanagan, the band has done much to promote school spirit, even to presenting "The Horse" as the school fight song. This indeed been a highly successful year for the music department and the Kempsville Junior High School Band.

Band Officers L to R: Bonnie Jones, Scott Foxwell, Mr. Flanagan, Cindy Morsett, Vicki Williamson, Ricky Bliese and Paula Pruden.

# Cheerleaders

Spirited, lively, animated, zestful, exuberant, active, vivacious, energetic, dynamic . . . These nine words more than describe the nine girls who composed the 1970-71 Kempsville Junior High Cheerleading Squad.

Appearing in their blue skirts and bulky white sweaters for football the girls added color and pep to cold game days. For basketball, they shed the sweaters and donned snappy blue vests with mock turtle neckline white jerseys. Needless to say they made quite an impression on the court.

In addition to adding color, the girls did a splendid job of fostering school spirit, supporting pep rallies, as well as leading KJHS fans in cheers.

These girls have spent a busy but fun-filled year in service to KJHS. Because of their accomplishments and their boundless energy, the cheerleaders have shown us that they, too, are # 1.

## "Spirit, Drive, Ability . . . . ."

The Braves continued their tradition of winning championships in football by winning a share of the City Championship for the second consecutive year. We opened the season with a disheartening 6-0 loss to Va Beach Jr. The Braves nearly scored on an end sweep by Lagus McCoy who went out of bounds on the 1 foot line.

The Braves got on the winning track against the First Colonial Jr. JV by a score of 26-0. In that contest the defense, led by Terry Lassiter and Ricky Bliese, began to assert itself. The offense also jelled as Kevin Smith scored twice and Frank Welch scored as well as throwing a long touchdown pass to Lagus McCoy.

In the third game the Braves completely overwhelmed Norfolk Academy by a score of 34-0. Our famous "Red"

team saw considerable action in this game and almost scored.

Plaza Jr. proved to be quite a formidable opponent yielding grudgingly by a score of 14-12, and becoming the first and only team to score twice against our defensive team.

Against Princess Anne the team suffered an emotional let down but managed to prevail by a score of 22-0.

The next week was spent feverishly preparing for the Bayside game which would decide the City Championship. We won the game when Lenny Handfinger tackled the Bayside runner in the end zone.

Our offensive team scored a total of 96 points while the defensive team held our opponents to a total of 20 points. The year proved to be very rewarding and every member of the team showed a great desire to be a winner.

# Kempsville Junior Braves

## As City

Impatiently waiting for basketball then sudden despair. Despite this loss of height and skill the Braves begin. Two bum legs and a bad back didn't keep us from having aggressive practices. We immediately learned how to hurt our mouth and teeth. 20 defense—work, work, work.' Thanx for the gift Norview. Cox JV snickers but later we laugh. They will remember Kempsville JUNIOR, 50—defense—work, work, work. Early victories & and jitters. Polish 22 defense. Christmas and undefeated 4—0 record. Vacation—that's a joke! 44 defense—work, work, work. Mental mistakes are minimized. KJHS starts its version of "Mighty Mights" against Norfolk Acadamy JV. "They are bigger than????." Yes, it does pay off to work hard during Christmas. Va Beach at the beach—this year the game was finished! The game of 2

unbeaten teams. Big Bayside versus little KJHS brought another win for quickness and defense. Va Beach at home—"What kind of move was that?" 30 behind and stall! Semester break and undefeated 9—0 record. Welcome back, Red?! Plaza at Plaza was a game of run, run, run., "You were lucky, Coach." Bayside at Bayside—the little guys do it again. First season brought KJHS 12 wins—0 losses. Second season—Tournament time. Flu hits but we are ready. The beach stalls but our defense doesn't. Championship game against Plaza brings one half of frustration and finds us trailing. Pride, composure, and defense sends the Braves to another Tournament Championship. Final record 14 wins—0 losses. Kempsville Jr. IS the Home of the Defense.

## Wrestlers Make

The Braves wrestling team ended the season undefeated in the Conference and the City Tournament.

During the regular season, the Grabbers score 319 points compared to 113 points for their opponents in 8 matches. This was an average of 40 points each match, while giving up only 14 points a match.

The Braves had 14 of their 15 wrestlers competing in the finals of the City Tournament. Seven Braves took first place and seven finished in second place. Lagus McCoy was the only undefeated and untied wrestler on the team.

David Clary's record for 2 years at KJHS is 15-2 and Frank Welch was 14-2. Captain Bob Wernick finished with 10-2 and a city championship.

Special praise and recognition is extended to the 27 ninth graders that will be leaving KJHS this year. Eleven of these boys wrestled on the varsity team. The team has 30 eighth graders returning for next year and they are looking for big things.

## Baseball Injuries

Injuries took a heavy toll on the baseball team this season. In our first conference game against Plaza Jr. High we suffered key injuries to Tommy Chowns, Robert Legg and Jake Powers. After losing in extra innings to Plaza 3-2 the Braves had successive losses to Norfolk Catholic by a score of 14-8 and Va Beach by a score of 8-0. After a reorganization of the team, we won 5 games and lost 2 over the remainder of the season. Norfolk Academy was our first victim by a score of 8-0. We then got our first conference victory against Bayside by a score of 8-7. The Braves also defeated Bayside Jr. and Norfolk Academy for the second times as well as avenging the loss to Plaza Jr. We suffered two more losses at the hands of Va. Beach and Norfolk Catholic. After a very disappointing start the team lived up to expectations and finished the year very strong to have a 5-5 record. Several outstanding performances were turned in by Braves players: Frank Welch led the team with a .450 batting average, Jimmy Moore led the team in pitching with a 3-1 record, Brett Poyner had three home runs, Ricky Bliese, Tom Lorkiewicz, and Billy Foster turned in outstanding defensive performances.

L to R: Co-Captain B. Poyner, Coach Ingram, Co-Captain T. Chowns.

## HOME OF DEFENS

One of the advantages of old age is a fond remembrance of the past. When the alumni of Kempsville Junior High think back over their junior high days, they will remember the classes, teachers, and their fellow students. But most of all they will remember the athletics of KJHS. For the athletics of a school have a magic all their own, and compile a cohesive force which seems to unite the entire school in a common cause, victory. The victory, however, does not belong to one player or even to one team. The victory belongs to the school and each student in it. Thus it has been in years past and so it will be in future generations.

In a large machine there are always parts that do important jobs but are seldom recognized for their contributions. Well, in the KJHS machine we want to recognize these "parts" and acknowledge their importance. Thanx Willie, Frank and the entire janitorial staff for taking such good care of us. Another thank you goes to Mrs. Harrier, our dietician, for her management of the cafeteria. At last, but certainly not least, our own Mr. Brooks. Your ready willingness to help and your infectious smile are well known at KJHS. Mr. "B", even if we don't say it very often we appreciate all you do.

Mr. Brooks, is that someone signing your cast? It could possibly be any number of people bowing at your feet for all the things you've done for us. Thanx for everything.

Here's Mrs. Harrier who sees to it that we have our lunches five days a week, one hundred and eighty days a year. Thank you, Mrs. Harrier for all that you do! . . . we appreciate it.

To a real sweet girl to see you this summer

Dear Sirs:

I am enclosing a copy of our recent meeting with the Board of Directors. We discussed the need for a new office building and the possibility of moving to a larger one. The company has grown significantly in recent years and we believe that a new office would be beneficial.

We are also pleased to inform you that we have opened a new office in Roanoke, Virginia. This office will handle all sales and marketing activities for the region. We are looking forward to working with you in the future.

Very truly yours,
